Resolution in respect of appropriation of the Company's profit or loss (item 10)

The Board proposes that no dividend is declared for the financial year 2013.

Resolution in respect of guidelines for compensation of senior executives (item 14)

It is the aim of Tethys Oil to recruit, motivate and retain executives capable of achieving the objectives of the Group, and to encourage and appropriately reward superior performance in a manner that enhances shareholder value. Accordingly, the Group operates a Policy on Remuneration which ensures that there is a clear link to business strategy and a close alignment with shareholder interests, and aims to ensure that executives are rewarded fairly for their contribution to the Group's performance.

The remuneration package of the executives in the Group (which include the Managing Director and the Chief Financial Officer) in the Group contains five components: 1) basic salary; 2) pension arrangements; 3) yearly variable salary; 4) non-financial benefits; and 5) severance payments. The board may deviate from the guidelines if there are particular grounds for it. More details are to be found in the Board's full proposal.

Resolution in respect of a Nomination Committee and nomination procedure for the Annual General Meeting 2015 (item 15)

The Nomination Committee propose that the representatives of the nomination committee shall be appointed through a procedure where the chairman of the board of directors contacts the three largest shareholders based on shareholders statistics from Euroclear Sweden AB as per 30 September 2014, and that such shareholders each appoints a representative to, together with the chairman of the board of directors, constitute the nomination committee up until the next annual general meeting, or, if applicable, up until a new nomination committee has been appointed. If the chairman of the board, directly or through companies, would be one of the three aforementioned largest shareholders, the nomination committee shall be composed of three members only (the chairman and the two representatives appointed by the other two large shareholders).

Should a representative resign from the nomination committee before its work is completed and provided that the nomination committee considers it necessary, a substitute shall be appointed by the same shareholder that has appointed the resigning representative, or, if this shareholder is no longer one of the largest shareholders in terms of votes, a replacement will be approached among the larger shareholders.

The nomination committee shall appoint one of its members as chairman. The composition of the nomination committee shall be made public on the company's web site as soon as the nomination committee has been formed and no later than six months before the annual general meeting. In the event that the ownership structure is changed after the nomination committee has been composed such that one or several shareholders that have appointed a representative to the nomination committee is no longer in the group of the three largest shareholders in terms of votes, the composition of the nomination committee may be changed in accordance therewith if the nomination committee considers that so is necessary.

The tasks of the nomination committee shall be to prepare, for the next shareholders' meeting, proposals in respect of number of directors of the board, remuneration to the chairman of the board of directors, the other directors of the board and the auditors respectively, remuneration, if any, for committee work, the composition of the board of directors, the chairman of the board of directors, resolution regarding the process of the nomination committee 2016, chairman at the annual general meeting and election of auditors. The company shall pay for reasonable costs that the nomination committee has considered to be necessary in order for the nomination committee to be able to complete its assignment.

Resolution in respect of an authorization for the Board to resolve new issue of shares (item 16)

The Board of Directors proposes that the General Meeting authorizes the Board of Directors to resolve, at one or more occasions until the next Annual General Meeting 2015, to issue new shares with consideration in cash and/or with consideration in kind or by set-off and also be able to resolve to disapply the shareholders' pre-emption rights. The purpose with the authorization and the reason for disapplying the shareholders' pre-emption rights is to enable the Company to make business acquisitions and to raise capital for the Company's business operations. The total number of shares that can be issued based on the authorization may not exceed 10 per cent of the total number of shares in the Company. In case it is resolved to deviate from the shareholders pre-emption rights, the share issue shall be made in accordance with market conditions.

Resolution in respect of an authorization for the Board to resolve on repurchase of shares (item 17)

The Board of Directors proposes that the Annual General Meeting resolve to authorize the Board of Directors to, up until the Annual General Meeting 2015, resolve on purchases of Tethys Oil's AB own shares, in accordance with the following.

1. Purchases may be effected on NASDAQ OMX Stockholm.
2. The authorization may be used at one or several occasions before the Annual General Meeting 2015.
3. Purchases may be made by a maximum of so many shares that the company's holding of own shares after the purchase amounts to a maximum of one-tenth of all the shares in the company.
4. Purchases of the company's own shares may be effected on NASDAQ OMX Stockholm within the registered price interval from time to time.

The main reason of possible purchases is to give the company flexibility regarding its equity and thereby optimize the capital structure of the company. Possible purchases may also enable own shares to be used as payment at, or financing of, an acquisition of a company or a business. The Board of Directors shall have the right to determine other conditions of the purchase in accordance with the authorization.
