Tethys Oil AB (publ)

Tethys Oil is a Swedish energy company focused on identification and development for production of oil and natural gas assets. Tethys' core area is the Sultanate of Oman, where the company is the second largest onshore oil and gas concession-holder with licence interests in three onshore blocks. Tethys also has licences onshore France, Lithuania and Sweden. Tethys' strategy is to invest in projects in areas with known oil and natural gas discoveries that have not been properly appraised using modern technology. In this way, high returns can be achieved with limited risk.

The shares are listed on First North (TETY) in Stockholm. Remium AB is Certified Adviser.
