## **Auditor's statement in accordance with the Swedish Companies Act (2005:551), Chapter 20, Section 8, concerning whether the general meeting of shareholders should approve the proposal for reduction of the share capital**

To the Annual General Meeting of Tethys Oil AB (publ), Corporate Identity Number 556615-8266

---

We performed procedures whereby we have examined the Board of Directors' proposal, dated 14 April 2022, regarding a reduction of the company's share capital.

### *Responsibilities of the Board of Directors for the proposal*

The Board of Directors are responsible for the preparation of a proposal reporting on the consideration according to the Swedish Companies Act, and for such internal control as the Board of Directors determine is necessary to enable the preparation of a report that is free from material misstatement, whether due to fraud or error.

### *Auditor's responsibility*

Our responsibility is to express an opinion on the reduction of the share capital on the basis of the procedures performed. The procedures were performed in accordance with FAR's recommendation RevR 9 Other statements by the Auditor in accordance with the Swedish Companies Act and the Companies Ordinance. This recommendation requires that we plan and perform the procedures to attain reasonable assurance that the proposal is free from any material misstatement. The auditing firm applies ISQC 1 (International Standard on Quality Control) and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We are independent of the Tethys Oil AB (publ), in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

The procedures have involved the execution of various activities to obtain evidence about the financial information and other disclosures in the Board of Directors' proposal. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the proposal, whether due to fraud or error. In making this risk assessment, the auditor considers the elements of internal control relevant as to how the Board of Directors prepare their proposal, in order to design procedures that are appropriate under the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. The audit has also included a valuation of the appropriateness and reasonability of the assumptions of the Board of Directors. We believe that the evidence we have obtained is sufficient and appropriate to serve as the basis of our opinions.

### *Opinions*

We support the proposal of the Board of Directors for reduction of the share capital for repayment to the shareholders.

*Additional information*
